

TRAVEL SUPREME · KOSHER MIDWINTER 2027

Where the Kosher Is Already in the Building

Four ways to spend midwinter 2027 in the sun, kosher. Prices are from our partners and change daily, so message us for today's.

How to choose your week

- **Kosher in the building, or a private villa?** In the building means you eat at the resort with nothing to plan. A villa means your own kitchen, set up before you land.
- **How your family holds.** Glatt, cholov yisroel, pas yisroel, the hechsher you rely on. Tell us once and we only show you what fits.
- **Shabbos.** Walking distance to the minyan and the meals, and rooms that work without key cards or motion-sensor lights.
- **Your dates.** January weeks sell out first. The earlier you ask, the more rooms you choose from.
